Why play at TRP?

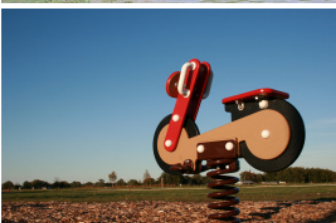

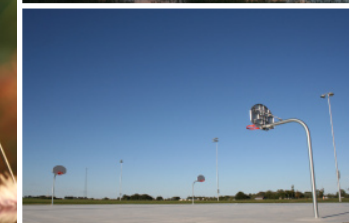

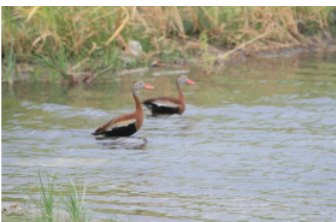

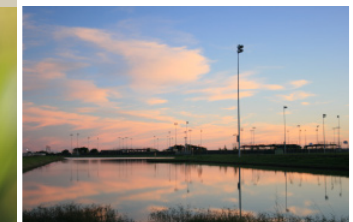

This state-of-the art recreation facility and nature preserve, located on the southern end of the Blackland Prairie Ecological Region of Texas, is simply magnificent.

- Ten lighted tournament quality ball fields complete with wireless scoreboards, shaded stadium style bleachers, moveable pitching mounds and base paths
- Five fields for girls softball up to the collegiate level
- Five fields for boys baseball ages 12 and under
- Three concession stands and restrooms
- Parking for 650 vehicles

The fully lighted park also includes additional athletic fields and amenities, including a full size football field, two soccer fields (with more to come), two basketball courts, a covered pavilion, two modern playscapes, and a hike and bike trail. The park also features an innovative nature conservation project and a six-acre lake that are perfect for outdoor education.

Nowhere else do nature and sports meet in such grandeur. The Taylor Regional Park and Sports Complex is truly a place where nature and sports thrive.

To schedule your tournament or event, call Mike DeVito, Recreation Superintendent, at (512) 365-7669 or visit www.taylortx.gov for information.
